Pacific View Charter School is a renowned Certified Charter School which offers its students increased learning opportunities through an alternative, high quality educational program that emphasizes the pursuit of excellence through an independent study instructional model known as Personalized Learning.

Our new K-12 Personalized Learning Center is located in two separate buildings: one is for K-8 students and their activities and the other is for 9-12 students. Both buildings total 32,095 square feet. The Learning Center includes eight classrooms, two computer labs, a biology lab, a student study hall and lounge, a textbook warehouse, early childhood education activity room and lunch areas for the students. Multiple conference rooms and offices for supervisory teachers, administration and support staff are also integrated throughout the School's campus. The new campus is anticipated to be fully operational by July 2008.

For additional information, including student enrollment you can contact the School through our website via email, calling or writing us at: Pacific View Charter School 3660 Ocean Ranch Boulevard, Oceanside, CA. 92506. Phone 760.757.0161
