School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

## Budget Overview for the 2019-20 LCAP Year

This chart shows the total general purpose revenue Pacific View Charter School expects to receive in the coming year from all sources.

The total revenue projected for Pacific View Charter School is \$9,195,899.00, of which \$8,472,782.00 is Local Control Funding Formula (LCFF), \$688,117.00 is other state funds, \$35,000.00 is local funds, and \$0.00 is federal funds. Of the \$8,472,782.00 in LCFF Funds, \$1,286,064.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.
