

Dear Families

After 23 years serving as Founding Executive Director of Pacific View Charter School, I am announcing my retirement. My official retirement date will be June 30, 2022. I am pleased to announce that Erin Gorence will take over as Executive Director on July 1, 2022.

It has been an incredible honor and privilege to lead the school from its beginning in July 1999 to where we are today. It has been a journey of both professional and personal growth that I truly appreciate. Our humble beginnings began on Mission Ave in a 5,000 sq ft office building. We ended our first year with approximately 300 students and our graduating class of 2000 consisted of 30 Seniors. Today we have approximately 1500 students enrolled entering and leaving our school throughout the year. The school's graduating classes are over 100 students each year.

I will always remember the wonderful, talented students that I have met throughout the years. It has been exciting to see students thrive in our unique environment, reaching their potential and gaining confidence. I am appreciative of our wonderful staff who I know will continue to develop the school and provide valuable programs for our current and future students.

As I begin my new chapter I will always remember the incredible students, parents, guardians and of course therapy dogs I have met over the past 23 years. You have left an imprint on my life and I appreciate having had the opportunity to serve you and Pacific View Charter School.

Gina Campbell
Founding Executive Director
