

Pacific View Charter's February Rising Star: Angelique Paulson

On February 14, 2023, the Oceanside Chamber of Commerce awarded Pacific View Charter's Senior Angelique Paulson with the Rising Star Award. This award honors "Oceanside seniors for rising above adversity by demonstrating character, integrity, school and community engagement that make our city Shine Like A Star".

In the photo Angelique with Mayor Esther Sanchez.

Angelique Paulson is an amazing young lady. She has been at Pacific View Charter since 9th grade where she has been active in several clubs, and is also on a local women's golf team. At the beginning of her junior year her life changed when she was diagnosed with Stage 2 Hodgkin's lymphoma. She underwent intensive treatments to combat her disease and was able to keep up a 4.0 GPA during the entire time. Angelique literally aspires to reach the stars and become either an astronaut or an aerospace scientist and will attend San Marcos in the Fall.
